Application of Blue Granite Water Company for Approval of a Wholesale Water Supply Agreement with the City of Charlotte (York County Lake Wylie Service Area)

Blue Granite Water Company ("Company" or "BGWC"), pursuant to S.C. Code Ann. § 58-5-210 (2015) and S.C. Code Ann. Regs. 103-743 (2012), filed with the Public Service Commission of South Carolina ("Commission"), an Application for Approval of a Wholesale Water Supply Agreement with the City of Charlotte ("City") for its Lake Wylie Authorized Service Area in York County. The Company states in the Application that, in addition to being necessary to comply with the requirements of its Franchise Agreement with York County approved by the Commission in Order No. 2018-325, issued May 2, 2018, in Docket No. 2018-74-WS, the purchase of wholesale service from the City is the most appropriate means by which to address concerns regarding interruptions or reductions in wholesale water supply from York County. BGWC further submits that approval of the Agreement will have no effect upon current customer service rates, as they will not change as a result of such approval. The Wholesale Water Supply Agreement, which was filed as Exhibit One of the Application, provides for the City to provide the Company up to 2 million gallons of potable water per day for (a) a water availability fee of \$324.43 per billing cycle, (b) commercial water usage charge of \$2.81 per 110 cubic feet (or \$3.76 per thousand gallons) of water supplied, and (c) a water fixed fee of \$4.45 per billing cycle. These rates are subject to change by the City.

A copy of the company's Application can be found on the Commission's website at www.psc.sc.gov under Docket No. 2019-223-W. Additionally, a copy of the Application is available from the office of John M. S. Hoefler, Esquire and Benjamin P.
